

DDP-888-59

26 January 1959

SUBJECT: Allowable Travel Mileage for Westinghouse Technicians

TO: Contracting Officer

Reference Westinghouse letter dated 5 January 1959, subject, "Contract HF-8141, Request for Transportation Approval." Enclosed is our reply to the referenced Westinghouse letter which requested retroactive approval of the travel performed by their technicians through December 1958.

The WSPO has approved this travel subject to the contractor's negotiating with your office on the mileage to be allowed for travel between given locations. This action is in accordance with a recent telephone conversation between [REDACTED]
